Alvey® KS-88 Cart and Rack Washer

No commercial kitchen facility is complete without an Alvey® Washing Equipment washer

The Alvey® Model KS-88 is a walk in type stainless steel cabinet washer designed to clean racks, carts, and delivery cabinets. The KS-88 is also an efficient high volume pot, pan, and utensil washer (with use of optional racks). The KS-88 can be modified to meet almost any rack or production rate.

Features

Wash Chamber Section

- Wash chamber 102" long, 36" wide, and 80" high
- Constructed of type 304 stainless steel with polished finish
